ADDITIONAL INFORMATION FOR CONSIDERATION

AGREEMENT:

I understand that the Action Environmental Group, Inc. (or any of its subsidiaries) is not obligated to provide me with employment and that I am not obligated to accept employment if offered to me. If I am hired, my employment will be "at will" and my employment may be terminated with or without cause, and with or without notice at any time by either the Company or myself. I understand that nothing contained in this application, or conveyed during any interview, or during my employment, is intended to create a contract for continued employment with the Action Environmental Group.

I acknowledge that the Action Environmental Group or its agents may conduct a background investigation, motor vehicle record (MVR) search, and/or reference check prior to making me an offer of employment. In addition to any pre-employment background checks, the Company uses E-Verify to verify employees' authorization to work in the United States. I hereby consent to and authorize the Company to conduct any such search, and I understand that failure to provide any information required to complete such a search will cause my application to be denied. I further understand that certain positions are subject to pre-employment, random, and/or post-accident drug and alcohol testing as required by the Department of Transportation.

I certify that the statements and information furnished by me in this application are true and correct. I understand that omitted, false or misstated statements on this application are grounds for refusal to hire, or dismissal, at any time the Company becomes aware of the omitted, falsified, or misstated information.
