

New York City & State Law **RESTRICTED MATERIALS**

The following materials are banned or restricted in New York City. In support of New York City's Zero Waste Initiative, we encourage customers to comply with the following rules.

Plastic Bags

March 1, 2020

New York State has prohibited the distribution of single-use plastic bags.

Penalties will be imposed under New York State law for violations.

Foam Products

March 1, 2019

New York City businesses may no longer offer, sell or possess foam food containers.

Foam packing peanuts are banned and may not be offered or sold by manufacturers or stores in New York City.

nyc.gov/foamban

Plastic Straws

November 1, 2021

New York City food service establishments may no longer offer plastic straws and stir sticks, except upon request of a customer.

Compostable plastic straws and stir sticks are permitted.
